REPORT OF SUPERINTENDENT

In reviewing the fiscal year ending June 30, 1943, it is gratifying to report that another satisfactory school year has been added to the century old history of the Kentucky School for the Blind.

The combined enrollment of the White and Colored Departments totaled one hundred fifty-two which represented attendance from sixty-one counties.

Graduating from the High School course were :

Ralph Willard Ballinger	Adair County
James Carl Dotson	Pike County
Orval Snodgrass	Butler County

Throughout the entire year the Literary, Commercial, Home Economics, Manual Training, and Physical Education Departments reflected progress and maintained the usual high standard of work.

The Music Department gave several informal recitals and the Glee Club, Quartette, and Band contributed enjoyable entertainment to Assembly Periods and special Holiday programs.

The Scout Troops under the able leadership of Mr. Sammel J. Richie and Miss Daisy Wallace completed an active year. At the Armory our Boy Scouts (Troop Ten) participated in the Victory Scout Exposition and did commendable work. The Girl Scouts (Troop Seven) made their annual service contribution to the Tuberculosis Association by folding Christmas seals. On March 23, 1943, Troop Seven observed its twentieth anniversary by giving a special Assembly program.

In school work, the Colored Department made satisfactory progress. The band, under the direction of Otis Eades, gave several programs which were well received.

In observance of holidays throughout the year, parties were given for the entire student body which were thoroughly enjoyed. Through the courtesy of several motion picture houses, our pupils were afforded the opportunity for additional entertainment and fun away from the school grounds.

Christmas Day was made an unusually gala affair by the personal visit of Santa Claus who was most generous in his distri-

bution of gifts and toys. The Assembly Room presented a gay and festive appearance with its beautiful decorations and the sixteen foot Spruce Christmas tree laden with ornaments, snow and icicles, was a real delight to all. An informal entertainment was given by the pupils of the lower grades with the entire student body singing Christmas carols.

Our health program continued to include a thorough physical examination for every new pupil admitted in addition to Wasserman and Shick Tests. Recommendations of physicians were carefully carried out, and with the exception of seasonal colds, the general health of the pupils was excellent. Contributing largely to this factor were good, wholesome food, and well balanced schedules for work and play.

Dr. B. F. Zimmerman, succeeded Dr. Harry A. Pfingst, (now in the Armed Forces) as eye specialist, and we are indebted to him for efficient and unselfish service rendered without remuneration.

Recognition of the interest of the Louisville and Jefferson County Health Department in our pupils is also made, and we are grateful to them for their splendid cooperation.

Our pupils maintained their interest in war time activities: portfolios, games and bedroom slippers were made for soldiers confined to hospitals. Preparation of tin cans for monthly collection and the salvaging of paper, etc., were also included in their efforts.

The difficulties of operating under war time emergencies, had to some extent, a disturbing effect upon our school life. Rationing, priorities, and the employment situation presented new problems and complications.

Attracted by more lucrative employment and shorter hours, the following staff members resigned:

Teachers—Mr. William A. Stith, Jr., Mr. Euclid Montgomery, Mr. Maurice Parkinson, Miss Mary Ragland Vick, and Miss Margaret Comley. Miss Mary Louise Maloney, Assistant Superintendent; Miss Daisy Wallace, Music Teacher, who had married during the school year left at the close of the session.

ADULT WORK

In our program affecting the adult blind, the teaching of Braille and handicraft continued. Quite a few home bound adults realized a conservative income from the sale of handmade articles. The Talking Book Machine, offering a greater variety of reading matter than ever before, has brought much pleasure and entertainment to this group. Those to whom the learning of Braille is too difficult a task, have found in the use of this machine a particular comfort. There have been distributed to date in Kentucky two hundred ninety-three machines; two hundred twenty electric and seventy-three hand driven type.

Offering to those qualified, training and permanent employment, the vending stand project and the Kentucky Workshop for Adult Blind had a most successful year. Additional locations for stands were found by the Placement Agent and many operators were trained. We were especially fortunate to obtain locations in plants where war contracts had been awarded, and greater volume of business generally brought increased income to our operators. Employed in this project were fifty-three representing twelve women and forty-one men. Staff personnel and locations may be found elsewhere in this report.

Trades taught at the Kentucky Workshop included chair caning, the making of brooms, broom bags, mops, and mop heads. While a group was permanently employed in the manufacture of the above articles, we were fortunate in getting temporary work for others. Throughout the year, we were given work by the Quartermaster Depot in the splicing of ropes, and one of the largest jobbers in the south awarded us the contract for the wiring of tags.

For their interest in the spiritual welfare of our pupils, we are indebted to the pastors of the neighborhood churches and to the committees which have acted as guides, faithful and efficient service is recognized.

For the genuine interest and loyal cooperation throughout the school year, we are indebted to the State Board of Education. Our Advisory Committee, Our Principal and the entire Staff Personnel.

CATHERINE T. MORIARTY,
Superintendent

Mr. Eddie Martin.....	Variety Program
Miss Carolyn Apperson Leech	
	Tickets—Perpetual Observance of Armistice Day

Graduate: Deborah Smith, Louisville

To Parents of Children Who Do Not See:

It is the ardent wish of the Board that every child who is eligible, shall attend this school and receive an education which will enable him to become a useful, happy, and self-supporting citizen.

The course of study is similar to that offered by the public schools, but peculiarly adapted for the blind.

Skillful, devoted teachers will care for the comfort, health, and welfare of your child in an atmosphere that is homelike and wholesome.

Letters to parents are written periodically so that they may be kept advised as to the health and progress of the children. In case of illness, children have expert doctors and their parents are promptly notified.

All children return to their homes for the summer vacation but extended holidays are not encouraged during the school year.

Visitors are cordially welcome at any time.

Further information will be gladly given—address inquiries to:

KENTUCKY SCHOOL FOR THE BLIND,
1867 Frankfort Avenue,
Louisville, Kentucky.

STATE OF KENTUCKY OFFERS BENEFITS AND
PLEASURES OF EDUCATION TO HER
BLIND CHILDREN

Every blind child in Kentucky, or any Kentucky child whose sight is so poor as to prevent it from attending an ordinary school, can get a free education at the Kentucky School for the Blind in Louisville, Kentucky. There is no charge for board, tuition or books.

There are separate schools for the white children and for the colored children, some distances apart, each with its own set of teachers. The State has endeavored to make these schools everything they should be for the education, health and comfort of the blind children of Kentucky. The buildings are large and beautifully situated on rolling grounds with magnificent forest trees, and filled with every possible device for the training of the blind. The teachers are the best that can be had, thoroughly experienced in teaching those who cannot see.

The school session opens the second Wednesday of September and closes the second Wednesday in June, the children going to their homes for the summer vacation.

To get into the school, it is necessary that the child have too little sight to attend an ordinary school, be between six and eighteen years of age, have a sound mind, be free from disease and a resident of Kentucky.

If you know of such a child, write to the KENTUCKY SCHOOL FOR THE BLIND, 1867 Frankfort Avenue, Louisville, Ky.
